

Bleacher Reacher Mega™

A step above our flagship model, (The Bleacher Reacher Pro), THE BLEACHER REACHER MEGA, adds an increased air chamber and our patented electronic firing mechanism, allowing this cannon to reach distances in excess of 400 feet. This is quite useful in larger arenas and stadiums. The Bleacher Reacher Mega comes standard with a padded case, CO2 canister, oil, extra O-Rings, user manual and a LIFETIME LIMITED WARRANTY.
