

Micro Mini™

The Micro-Mini© is under 4lbs and is perfect for short range action, portability and easy reload. Offering One-Button Operation, no external hoses or riggings, and distances up to 100ft, the Micro-Mini© is a favorite among radio remotes, cheering squads, pep rallies, mascots, trade shows, conventions, & small concert venues.

Standard in black, blue, red, silver or gold anodized aluminum, padded case, 20 oz CO2 tank, manual, wrenches, and 2 vinyl logos at no additional charge.

suggested optional accessories

Standard CO² Fill Station

Extra CO² Tank

Digital Scale allows easier filling of your own CO² tanks

optional upgrades

With the addition of barrel adapters, the Micro-Mini becomes the most versatile launcher in the world. With a few quick adjustments you can go from launching t-shirts to launching stress balls, or confetti in a matter of minutes.
